Hi all:

The only way to access incident data is through a FOIA request.

I am forwarding this along to Bob Miller. Bob, can you take a look at Rick Kingston's IDS FOIA question?

I think not, but I wanted to check. Is it best to refer him to Bob Miller to address getting access?

David.

Subject: Quick question on accessing EPA incident data

Hello David,

Hope this email finds you healthy and safe.

I was wondering if there was a way to access EPA's incident data for various actives without having to do a FOIA. I seem to remember that there was a way to do it but can't recall the specifics.

I'd appreciate any suggestions or help. Feel free to call or email.

Best,

Rick
